

**C**ustom Freight is your answer to your transportation needs in the United States. We offer competitive rates and excellent service within the United States. With Terminals in Santa Fe Springs and San Lorenzo, we dedicate ourselves to providing exceptional service. We offer complete Logistics, Warehousing/Distribution and Transportation services including everything you need to support your marketplace.

**W**hether you are looking to expedite delivery of a small shipment or move a full truckload within United States at a competitive rate, Custom Freight has the expertise and the resources to get the job done. Custom Freight functions as an asset based United States carrier and freight forwarder. This gives us an unlimited ability to meet any type of shipment requirements using CUSTOM FREIGHT'S own equipment, and a network of partners to better serve all of the United States. In either case Custom Freight remains the carrier of record and is responsible for your shipment
